

The Episcopal Diocese of Kansas

August 10, 2022

Dear Members of Convention and Alternate Delegates,

We are pleased to be welcoming you to the diocesan convention in a few short months. As usual, we begin the registration process at the beginning of August, but this year we have a few changes.

While everyone will register themselves, parishes will be directly invoiced for the registration costs of their voting delegation (clergy and delegates) and attending alternates. *Ex officio* members and non-parochial clergy are responsible for their own cost. Anybody who registers a guest for the banquet will be asked to pay for that guest.

Please visit <https://tinyurl.com/28ehmb9z> to register yourself.

Or use the camera app on your cell phone to open this QR code:

The registration deadline is Friday, September 23, 2022.

If you have any questions or concerns, please contact either myself at apfunston@episcopal-ks.org or my assistant Michele Moss at mmoss@episcopal-ks.org.

We will see you October 21-22 at Convention!

Blessings,

A handwritten signature in blue ink that reads 'A. Patrick Funston'.

Canon to the Ordinary
