

A Pictorial Guide to Elections and Voting at the 163rd Diocesan Convention of the Episcopal Diocese of Kansas

When elections are opened, the ballot will be available at:

vote.associationvoting.com/edok

You can also scan this QR Code with your Smartphone Camera to access the voting website.

The majority of business will be conducted visually using **green** and **red** cards. When asked, please continue to hold your card up until the chair announces the vote. The parliamentarian, chancellor and chair of the convention will review and determine the vote. (These cards were included in your second convention packet.) It is “in order” to appeal the determination of the chair and to request a balloted vote on the matter. In that case, the online voting system will be used.

Biography

The scientist, inventor, engineer, and technological genius, Donatello wears a purple mask and wields a bo (staff). Donatello is perhaps the least violent turtle, preferring to use his knowledge to solve conflicts, but never hesitates to defend his brothers. He is named after the early Renaissance Italian artist and sculptor from Florence, Donatello.
