

St. James Seeks Youth Mentor

St. James in Wichita seeks an adult to co-lead our Youth Group program. The initial term of employment begins in January 2023 and goes into May. This adult will join our current, long-time co-leader in leadership. Youth Group includes students from sixth through twelfth grade. The program includes sharing, prayer, an activity, and a lesson in each session. It is informal and the structure is laid-back. Youth Group meets Wednesday evenings from 7:00-8:15 or so. Time spent in preparation for Youth Group each week and communicating with parents and students is expected. From time to time the co-leader may be asked to write content (an article) for publication in our parish media. There also may be a few occasions which come up in the spring semester such as a special event or activity (perhaps on a weekend) for the youth. Leadership at these events would be part of the co-leader's responsibility. Co-mentors must have graduated from high school and be either college-age or older. A background check and "safe church training" (online education about appropriate conduct for leaders) is required. Interested and qualified individuals are encouraged to send a cover letter and resume to: motherdawn@stjameswichita.org.
